

## Team Requirements

We are so happy that you are interested in putting a team into our tournament!

### PEOPLE

---

Each team must have a minimum of 10 players and maximum of 15 players.

Of those players, a minimum of three must be females.

Players must play in two regular games to be eligible to play in the finals.

The team captain is responsible to read the full rules for your division before registering the team. The team captain will be the contact person and is responsible to ensure all players are aware of the rules.

### DIVISIONS

---

We have a fun and a competitive division. Typically, teams in the fun division are friends/family/coworkers who play softball a few times a year. Teams in the competitive division have players who are in or have been in league ball.

### COST

---

Each team is required to pay \$500 to enter the tournament. This should be paid by a business sponsoring your team. If you don't have a connection, we can help get a business to sponsor your team.

**\*\*** Each player is required to bring in a minimum donation of \$50 – either donate themselves, or get sponsors.

Sponsor sheets will be sent to team captains when team registration is confirmed. Players donating themselves can bring cheque or cash to the tournament. Donations over \$15 will receive a tax receipt from Word & Deed head office.

### SCHEDULE

---

The schedule will be released a few days prior to the tournament. It will be sent to the team captains, who are responsible to get it to their players.

Depending on the number of teams, the first games will be at 8 or 9am. The semi-final and championship games usually are at 3 & 4pm.
